

Create Service instance

The screenshot displays the IBM Cloud 'Resource list' page. The interface includes a top navigation bar with the IBM Cloud logo, a search bar, and user account information. A left sidebar contains a navigation menu with icons for various services. The main content area features a table with columns for Name, Group, Location, Product, Status, and Tags. The table lists several resource categories, each with a count in parentheses: Compute (0), Containers (0), Networking (0), Storage (0), AI / Machine Learning (0), Analytics (0), Blockchain (0), Databases (1), Developer tools (0), Logging and monitoring (0), and Migration (0). The 'Databases' category is expanded, showing a single resource named 'Cloudant-y4' with a status of 'Active'. A 'Create resource' button is located in the top right corner of the table area. The bottom of the image shows a Windows taskbar with the search bar, task icons, and system tray information.

Name	Group	Location	Product	Status	Tags
